

2000-2008 INSPECTION

HISTORICAL APPROVALS RESULTS OF AHHA APPROVED STALLIONS AS SIRE OF FOALS/YEARLINGS

The following table presents data from AHHA inspections from 2000-2008. Data is only presented for stallions with a minimum of five offspring presented. In 2000, foal scores were not given, so foals presented in 2000 are not included in calculating average bonit scores, but are included in the calculation of % Merit/Premium.

Sire	Number of Foals	Bonit 1	Bonit 2	% Merit	% Premium

HISTORICAL APPROVALS RESULTS OF AHHA APPROVED STALLIONS AS DAMSIRE OF FOALS/YEARLINGS

The following table presents data from AHHA inspections from 2000-2008. Data is only presented for stallions with offspring presented from a minimum of five different mares. In 2000, foal scores were not given, so foals presented in 2000 are not included in calculating average bonit scores, but are included in the calculation of % Merit/Premium.
